Conference Update

Conference will open at 11 a.m. on Sunday 27 September and close around lunchtime on Wednesday 30 September 2026. There are important regional briefings on Sunday morning. Our delegate and others should arrive on Saturday. Any women from our constituency attending the national women's conference on the Saturday will need to arrive on Friday.

Details of the shuttle bus to conference will be available.

Although 800 CLP delegates are registered for conference, members in around 100 CLPs will be unrepresented. They will have no say in elections to the national policy forum and the national constitutional committee. We are grateful to Oliver for representing us. Further, the youth NPF representatives are elected only by delegates aged under 27 within their region. Oliver will be able to vote and report on the number of young delegates to the NEC. The CAC will clarify the procedure should Oliver and others wish to raise points of order and ensuring that all events and participating organisations are fully inclusive and respect the rights of all members.

Members attending conference may wish to attend conference fringe events. As well as making important contributions, members from our constituency attending and speaking will raise our profile asa constituency.
