Members from Arundel, Walberton and Barnham branch will remember Hywel Lloyd who spoke at a meeting last year. It's sad to report that he has died. He will be remembered at conference and constituency members are invited to attend.

Hywel sadly passed away in August and the LCC Directors remember him here.

Remembering Hywel Lloyd

We will be honouring Hywel's memory at Conference. You can find us at stand C6 in the Exhibition Area, as arranged by Hywel, and we will have a book of condolences for those who would like to pass on messages to his family and loved ones.

You are also invited to join colleagues at the Labour Conference Coastal Reception 2026.

The reception is on Sunday, 27 September at 8.30pm and is hosted at the Insight Hub, which is on the third floor of the exhibition centre, by the bridge connecting the two main buildings inside the secure zone.

The event will also mark an opportunity to commemorate Hywel's legacy.
